

2015 IA Renewal Seminar

This event will offer 8 hours of IA refresher training in accordance with current regulatory requirements, FAA policy and maintenance training that directly relates to maintenance, inspection, repair or alteration of aircraft products, systems, components and/or accessories. This training is also eligible for the FAA AMT Awards Program. Please see the "Additional Event Information" for details. Topics, times and speaker are subject to change. A ten minute break will be given at the end of each presentation. All Aviation Maintenance Technicians are invited to attend. You do not need to hold an IA in order to attend.
